ECHOES OF THE STORM.
Effects Visible Along the Mail Route
From Lake City to Venters.

SCRANTON, September 22.—The severe storm that swept over the State on September 13 did considerable damage along the mail route. There was a lot of late corn of which the fodder was totally destroyed and the corn damaged to a considerable extent. A large amount of timber was blown down also. Mr Selden Lawrence of Jay was building a nice dwelling house and had the outside work nearly completed when the storm came and blew it to pieces. Mr W S Eaddy's buggy-shed was blown down and several houses more or less damaged. The late pea crop is injured, also ribbon cane, of which latter crop Mr W W Burrows has the best I have seen this year. On Wednesday, September 14, on account of the road being obstructed by fallen timber, I was prevented from carrying the mail.

Mr J D Evans has been sick for some days.

Mrs Elizabeth Baxley has been confined to her bed for about two weeks.

Mr R A Thompson and family of Vox visited Mr Thompson's sister, Mrs J M Baxley, at Scranton last Saturday, returning home Sunday. Ego.

EMERGENCY MEDICINES.

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand sprains may be treated before inflammation sets in, which insures a quick recovery. For sale by Dr D C Scott Kingstree; Lake City Drug Co. Lake City; Dr W S Lynch, Scranton.

Items From Smith's.

SMITH'S, September 22.—Mr W M Smith, who is now city editor of the Florence Daily Times, is at home for a brief visit. It will be remembered that Mr Smith led the ticket in the first primary as a candidate for county commissioner, but failed to receive a majority vote. He withdrew before the second primary.

The storm of last week did some damage to late corn and cotton in this vicinity. Cotton picking is at this time engaging the interest of the farmers. The yield is not so good as was expected—a large weed but little fruit. The corn crop also will fall short of what was expected.

The Sunday-school at this place is in a flourishing condition. The Sunday-school is a good index to the religious sentiment of a community and should be kept alive and prosperous.

We notice that several of our farmers have invested in new mowers and rakes. This speaks well for their enterprise.

Mr W H Pearce will soon open his livery and sales stables at Cades. His building is nearly completed and this enterprise will fill a long-felt want.

Mr G L Sauls has opened a "bargain store" in the building formerly occupied by Mr May. Other new enterprises in progress and prospect indicate that Cades is on a boom. A. B.

That Official Tabulation.

The editor of THE RECORD has received a letter from one of the managers at Morrisville stating that in the first primary election of August 30 the official tabular statement as published credited Mr W Isaiah Tisdale, a candidate for supervisor of registration, with receiving no votes at Morrisville, when, as a matter of fact, Mr Tisdale received 59 votes at that precinct in the election referred to. He also inquires the reason of these numerous errors.

We can only say that the figures given in our supplement were taken from the official tabular sheet, with the compilation of which we had nothing to do. We suppose that this error, as well as the others pointed out, may be accounted for by reason of the lax methods already commented on in these columns. In getting the results of the second primary more care was exercised, there being two tally-sheets kept, and we have heard of no errors being discovered either in the tabulation or in the footings.

Off To School.

The autumnal season is at hand and exodus of young men and women to the schools and colleges beyond the borders of the county has begun. We should be glad to have a complete list of those who represent Williamsburg at the various institutions of learning, but as we have no means of obtaining such a list we can give only the names of those whose names and destinations we have learned, as it were, incidentally and accidentally.

As usual, the ever popular Welsh Neck High School at Hartsville comes in for a good share of pupils who are preparing for college. Among the number this session are the following: Misses Bessie Hicks and—Lee of Scranton, Essie Gamble, Blanche Bell, Jennie and Lucile Cunningham, Robert Hanna and Marion Wilson, Indiantown.

For Winthrop College, Rock Hill: Misses Bessie, Floride and Adelaide Harper, Pearl Koger, Dora Epps, Lorena Ross and Florence Jacobs, of Kingstree.

Williamston Female College Greenwood: Miss Ida Venters, Venters.

College for Women, Columbia: Miss Helen Scott, Kingstree.

Wofford College, Spartanburg: Peel Epps, Kingstree.

Clemson College: Charlie and Willie Brockinton, Indiantown.

Letter to H A Meyer.

Kingstree, S. C.

When you can buy paint for less than Devoe; don't save your money.

Mr Aaron Higgins, Plainfield, N. J., always used 15 gallons of paint for his house; Devoe took 11.

Mr Ezra Rathmell, Williamsport, Pa, always used 11; Devoe took 6.

Mr Burt Young, Girard, Pa, always used a gallon for certain rooms; took half as much Devoe.

Mr Nathaniel Barber, Canton, N Y, bought 12 Devoe; used less than 6.

You can always buy paint for less than Devoe; don't save your money. The wearing counts the same way and doubles the difference.

The cost of painting is by the gallon. Weak paint costs most; most gallons.

Yours truly,
F W DEVOE & Co.
